

AUXILIARY EMERGENCY FUND
January Bulletin
#5

Hello Rescue Squad,

Welcome to the new year of 2021. I hope that everyone had a wonderful Christmas and New Year. I like to thank the eight districts that send in a mid-year report to this chairman. Hopefully, every district will send in an end of the year report so that we will have more to report. I know that this past year has been especially hard to do anything such as fundraising and even having a meeting was challenging. I did expect to get more reports than I had gotten. Please try to send in a report even if you did nothing, as this chairman needs to know if units have done anything or not. I did not receive any supplementals at this time either. If you have done anything for this program and you think that you do not have enough for a supplemental, then if you could jot down a little something that was done in your district that would be fine.

At this time, I would like to encourage you as your District Rescue Squad to try and do your best and as much as you can for this very important program. Just to let you know that we raised \$511.34 between the units and districts donations this mid-year. Thank you for all you have done for this wonderful program and let's continue to fundraise and make the last half of this year better than the first half.

Yours in Service, Not Self

Debbie Fletcher
