

AMERICAN LEGION AUXILIARY DEPARTMENT OF CALIFORNIA
AMERICANISM BULLETIN
April 2021

Hello Lady Liberties,

As we approach the end of the year let's make a grand effort to keep our torches fueled while we complete our year end activities. I have already received a few essays and look forward to the receipt of many more. I have been asked several times about the coversheet. During these unusual times it is important for us to be flexible, therefore if you are unable to obtain a completed coversheet, do not stress! Send the essays without the coversheet. The most important thing to focus on is continuing involvement in this wonderful program! Essays are due to me by the 3rd Friday in April which is April 16. Any essays received after this date will not be considered for judging.

I am looking forward to hearing the creative ways all of you have been able to promote the Americanism Program during this most challenging year. End of Year Reports are just around the corner with unit reports due to the District Chairman no later than April 9th and district reports due to me by May 1st. It would be a tremendous achievement to have all districts receive 100% reporting. If you are missing a few reports, please consider calling the unit chairman to take their report over the phone. Sometimes taking a little extra step brings positive rewards.

If I have not told you already, I think all of you are amazing!

“What we need are critical lovers of America – patriots who express their faith in their country by working to improve it.”
