

COMMUNITY SERVICE
“THE NIGHT WATCHWOMEN”
NOVEMBER 2020 BULLETIN

Hello to all the Night Watchwomen,

I find it hard to believe that we are in the last two months of 2020. This has been a difficult year for all Community Service Chairmen, California chairmen should be proud and now it is time for mid-year reporting. Please adhere to the following dates and let us have 100% reporting:

Units to District December 1st.

Districts to Department December 15th

This month there are two National Days of Service – Veterans Day and Family Volunteer Day

Veterans Day (November 11th) was created to inspire service in our communities in honor and remembrance of our nation’s veterans. For programs on how to help veterans in your community contact: U.S. Department of Veteran’s Affairs at: www.va.gov/opa/vetsday; www.allforgood.org.

Family Volunteer Day (November 21st this year) was designed to start the holiday season with giving and service as well as to recognize the power of families in changing their communities. For ideas contact Points of Light’s Generation website at: www.pointsoflight.org/signature-events/family-volunteer-day or www.generationon.org/fvd or sign up at: www.allforgood.org

Please have a safe and blessed Thanksgiving

Community service puts me out of myself and lets me see a different part of myself. Which is important to me.
