

Chaplain Bulletin
August-September

Greetings to all Pastors and Ministers,

I want to welcome everyone to another exciting year. I hope this find every each one of you and your family safe and well during this unprecedented novel Corona Virus. I want to thank everyone for all your hard work and dedication last year.

Department will give out the awards on our up and coming DEC.

Another gentle reminder, all mid - year reports are due on **December 01,2020**.

Please do not forget that we are still need to make those Prayer book.

This year is so difficult to all of us ... We lost our jobs, we are all staying in place,

It's so sad to hear all whose life was cut short early; all I can do is pray for them. I am asking everyone to please pray for all of us ...for the one we lost and those who are in distress. Offer and sent prayer cause that's all we can do for now.

I am exiled to hear from everybody and read all your reports.

May god bless us all.
