Bulletin 10-1-2020

Hello everyone I hope this bulletin finds you all well and staying safe. Wow what a crazy year this has been. It's been since January - DEC Mid-Year meeting since I saw most of you. But it looks like we are going to be getting together again at the DEC Mid-Year meeting in Long Beach on January 15-17, 2021.

I'm planning to continue where we left off with our President's theme "100 Years of Service" we will be going down memory lane so get your costumes ready. Everyone is welcome to join in the fun and wear your costumes on Saturday and Sunday. I realize that when I came out with this idea many of you had a tough time understanding what it was going to be all about. But if you were able to make the DEC Mid-Year meeting last January you got the picture and you know how much fun we had. But if you didn't make it you will have a fantastic time this time. I'm hoping that we will be asked to put together a little show at the banquet like we did last year. We had so much fun with poodle skirts, black & white saddle oxfords, Elvis and Sonny & Cher. This year you won't want to miss it because you just don't know who is going to show up.

Saturday - January 16 - we will be in "The Love & Peace time of the 60's" (commonly known as the hippy era) watchout for the fringe and love beads.

We will also be moving in "The Disco Era of the 70's". So you have a choice for you costume.

Sunday - January 17 - it will be wide open for the 80's & 90's. Some examples of what was popular blue jeans, big hair styles, parachute pants, etc.

When we get to convention in Visalia in June we will again be having fun with Red, White & Blue in honor of Madam President's theme.

So I hope that you will all want to have fun with and dress up with us. I will be having secret judges going around all weekend to check out your costumes and will give prizes away on Sunday. If you have any questions please contact me at email: dlfercho93011@yahoo.com.
