

CALLING ALL AMERICAN LEGION AUXILIARY MEMBERS!

WE NEED YOU!!

June 28th – July 3rd 2021

Have you ever been a City Mom? Have you ever just thought about being a City Mom, but couldn't because of location? Do you know someone who is not an ALA member, but would make a great City Mom? Then, this is your year to sign up and be a City Mom without traveling anywhere!

In a normal year we need 16-18 City Mom's – THIS year, we need **52** City Moms! In order to keep the cities smaller (zoom friendly), there will be 26 cities with 2 moms in each city.

As you know by now, ALA GS will again be virtual, however the Counseling Staff is working hard to put together an amazing experience that will prove valuable to all. Each day will be ½ day on the computer, along with daily assignments that will need to be completed.

The City Moms will be responsible this year for daily patriotic teachings – ie...what does the flag mean, the ALA story, Poppy's, and more. Every single person will be tasked with a duty. Every day, you will need to be logged in when the girls are online, so a good internet connection is important.

Also, being familiar with Zoom and Google Classrooms is a plus (although we will have training meetings prior to session for anyone who needs it). City moms will support the counselors by helping during the daily zooms. Each day, we will start at noon and go until 4p.m. with the exception of closing ceremonies. You will need to be online during this time and there may be other times that a counselor asks you to stay and help them with other tasks.

Being a City mom is an experience like no other. You will end the week excited for the future of the young women that are participating. You will watch democracy in action (from the comfort of your own home) and see young women show their love of country. This is also your chance to teach these young women what the American Legion Auxiliary is about and how they can become involved, whether they are eligible or not.

Everyone will need to complete a background check and is required to do Sexual Abuse and Molestation (SAM) training.

ARE YOU EXCITED?

Are you ready to be a City Mom? Then click on this link (<https://www.cagirlsstate.org/city-mom-application-process>) and fill out the City Mom application. Feel free to contact me with any questions you may have.
