

August Junior Bulletin 2020

Hello everyone-

I am happy serve as your Department Junior Activities Chairman during our continuation year. Joining me this year is Jackie Cleveland who has once again agreed to serve as Junior Conference Director. We are excited to have her back.

Unfortunately we had to cancel the junior conference this past April due to COVID19 for everyone's best interest. We have rescheduled the next junior conference to be held April 16th-18th 2021 providing we can resume activities by then. Remember the age for juniors to attend starts at 8yrs old.

Please keep the juniors in mind while you are collecting school supplies so they can help out. Also- during these challenging times think of activities that the juniors can help out with such as food drive for families in need, helping senior members learn about zoom meetings, and help in any way possible.

I have junior conference tickets for sale and will be happy to mail them to you- just let me know. We also have a limited number of ALA ball caps, and junior t-shirts for sale. We also have the sashes for patches as well for pins. Please let me know and we are happy to send them your way. The juniors raise their own money to pay for the junior conference and all donations help out.

The juniors also have virtual training on the National ALA website. Please look into this so they can learn more about our organization. The more they know the more they can help out.

Yours in Service-

Maureen O'Brien-Sacco

Department Junior Activities Chairman
