

***Poppy Bulletin***

***DECEMBER 2020***

***Consider these dates of opportunity to make Poppy wreaths or center pieces for your Legion or community events.***

***December 7 - Pearl Harbor Day***

***December 19 - National Wreaths Across America***

Have you given a lesson in poppy making? A little patience and anybody can create a beautiful Poppy! Lois Cornish, PPM (Poppy Production Manager for San Diego VA) has filled her (COVID) time with making poppies! Last report Lois made over 5000 poppies in the comfort of her home.

Poppy Kits are available thru Emblem Sales by phone, fax or online:

We are all hoping this pandemic either fades away or a vaccines will be available soon. Your Poppy orders have been received and Unit and District mid-year reports are completed. And hopefully, your online Christmas shopping is done, too! Just what will be your 2021 “Resolution” for distributing all the poppies you have in storage?

Don’t forget a poppy can easily be worn year-round with T-shirts, bags, pins, scarves, charms, and other accessories. Placing a beautiful felt or crochet poppy on a sweater or adding a poppy charm to a bracelet are quick and easy ways to add a color pop of symbolism to your outfit. Someone may notice it and ask why are you wearing a Poppy? What a perfect lead in to the Auxiliary’s Poppy story! Maybe, and just maybe, you might get a new member!

**Mid - Year Deadline: Units to District Chairman - December 1, 2020**

**District Chairman to Department Chairman - December 15, 2020**

***“Happy Holidays & a Very Happy New Year, too!***
