

Poppy Bulletin

February 2021

With the recent distribution of poppies! What will you do with your poppies? At DEC, I shared many ways Units and Districts had promoted our poppies during these unusual times.

1. Offering Poppies at your Initiation ceremonies and explained Poppies significances and history.
2. Sending letters Legion family telling the poppy story and enclosing two poppies with a return envelopes for donations
3. Decorate your local library or Legion windows for the whole month of May or place a poppy mural somewhere in your Legion hall.
4. Offer Poppies and share the Poppy history at your community events or Farmer's market.
5. Use your poppies to make boutonnieres and corsages for veterans and their families at your local mortuary. .

(More Helpful Hint: See page 20 in your Poppy Program Guide).

You are resilient and resourceful... ***“Keep our poppies growing”!***

Time to get our Juniors members involved with the Poppy Poster Contest. Rules should be on our website.

Wear your poppies proudly!
