

CHAPLAIN BULLETIN 1

Greetings Soul Surfers!

Our new Department President Dee Ann has for her theme "Catch the Wave", and we will be known as Soul Surfers! As we "Catch the Wave" we will be busy and engaged in all aspects of service to our Veterans and their families.

I hope you've had an opportunity to explore our newly designed website! You will find Chaplain under Officers. Here's the link:

<http://calegionauxiliary.com/who-we-are/department-officers/chaplain/>.

Please look here for all currently relative information such as Bulletins, member data forms, Code, Reports.

I can be reached by email at Chaplain@calegionaux.org

Some important dates to mark on your calendar:

Unit Midyear Reports are due to District Chairperson December 1st

District Midyear Report is due to Department Chair December 15th

Department Midyear Report is due to Western Division January 5th

I hope to see you at the Clovis Workshop. I will have more information to distribute at that time.

As we come off this most difficult year and a half, we must remain vigilant that we are doing everything we can to support and protect our Members, our Veterans, and their families. Surfs up and we are needed, so take good care of yourselves!
