Units of District 28,

I have received from VA Palo Alto, **Spinal Cord Injury & Disorders Center Bldg. 7**, a Needs List from Kimberly Beck, M.S., CTRS. As you can see, a name has been add to Spinal Cord Injury and change of title to the Recreation Therapist has been removed. Here is the list request.

1. Memory foam shoes w/Velcro straps (no laces); variety of men's sizes 9-12 (Walmart has cheap ones!)
2. Aquatic shoes (No sandals); Variety of men's 9-12
3. Gift cards for local restaurants to take bets on community outings
4. Gift cards for streaming service subscriptions (Netflix, Hulu, Amazon Prime)

Kimberly let it to be known, what work best are Gift cards and are their favorites! Gives them a way, for more flexibility and it is usually easier for the donor.

Kimberly is Thanking the 28th District for their thoughtfulness!!
