

AUXILIARY EMERGENCY FUNDS
DONUTS SHOP
AUGUST 2021 BULLETIN

Congratulations to all Unit and District AEF Chairman!! I would like to introduce myself. My name is Valerie Hill and I am your Department AEF Chairman.

President DeAnn Graham's theme is "Catch the Waves" and we are known as the Donut Shop.

The Donut Shop is where members can come and get help. We are the only program that help out our members in time of need. Whether a member needs to satisfy a sweet tooth or need assistance during crisis. We will be here to assist you.

The Global Pandemic has challenged us in so many ways, in our personal and professional lives and in our mental, emotional and spiritual lives. It has made us to look deep inside and find the strength to be safe and move forward. It is that type strength we will need to work our program, raise money and make this program a success.

*The agenda for this year will be determined once I receive the Action Plan from National, I will be able to provide more information and update everyone with information on our direction for this year. I look forward to working with everyone and remember: **YOUR DONUTS CAN BE USED AS A LIFE SAVER.***
