

American Legion Auxiliary Department of CA

Americanism August 2021

Issue No. 1 | August 2, 2021

What we are doing?

The Americanism team is overseeing the Kites & Flags shop on the Department Boardwalk this year. We will have a great opportunity to connect with veterans, the community, and children across the state.

Please plan your year early-

- Schedule time to visit schools to promote the essay contest. It is vital to get it on the lesson plan sooner the better.
- Schedule your patriotic holidays with special events; prepare your calendar for better participation
- Check the department and national websites for any/all updates

Key Kite themes-

- Be knowledgeable on flag history
- Proper flag etiquette
- Proper flag disposal
- Promote observation of patriotic holidays in your community

With permission from Department President Dee Ann, we will have a special project this year; more information to follow. Please get prepared to be busy and promote Americanism within our great department.
