

CHAPLAIN BULLETIN #3

Greetings Soul Surfers.... It's been a busy summer and here we are about to step into Fall, which just happens to be my favorite season. I hope you are looking forward to this coming year and are finding ways to be active in your units, districts and communities. I'm sure your District Presidents returned home from the Clovis Workshop with lots of information on programs and projects to keep everyone busy for the upcoming year.

California has certainly had some devastating fires, in which, some of our members have experienced personal emergencies...let's see how we, as Chaplains, can help support and encourage our membership to support the Auxiliary Emergency Fund (AEF).

What are we doing to help our C&Y Chair prepare for Halloween events next month? Did you participate in a September 11 Memorial this month? Are you keeping a record of cards you are sending to your members? Have you started working on a Chaplain's Prayer Book?

While attending the National Convention in Arizona, I picked up a few extra Chaplain's Prayer Books. Anyone needing one, just send me an email Chaplain@calegionaux.org with your name and address.

Are you becoming familiar with our new Department Website? It's really nice, don't you think?

Upcoming events you will need to acknowledge and put on your calendar for November:

ALA's birthday, November 10th **United States Marine Corp birthday, November 10th**

Veteran's Day, Nov. 11 **Giving Tuesday, November 30th**

Will your Unit, District or Post be hosting events on these dates? Have you offered your services as Chaplain?

Please let me know if there is an event or person you would like me to acknowledge with a card or prayer.
