

## From the Editor's Desk —

It gives me great pleasure to highlight the accomplishments and successes of the American Legion Auxiliary Department of California!

Please enjoy the August-September issue of *The Auxiliary News Hub*. You can find it online at [calegionauxiliary.com/media/editorsdesk](http://calegionauxiliary.com/media/editorsdesk). Please ask your units to include this link on their Facebook, website, etc.

You can submit articles to the newsletter to:

- Promote your upcoming events
- Highlight a volunteer
- Spotlight your unit or district
- Share success stories
- Profile a veteran
- Write a how-to article
- Include behind-the-scenes photos
- Send a letter to the editor

Looking forward to reading your submissions!
