

AMERICAN LEGION AUXILIARY DEPT. OF CA

Constitution & By-Laws Bulletin 2

Greetings Lifeguards,

I would like to thank all of you who have accepted to join our team to rescue as many units and districts as possible. I commend those who have gone an extra mile to establish continuity in your districts and units. I believe if we all work together we will be catching the waves by Mid Year Meeting.

When rewriting your by-laws, please use the Model Bylaws. This is the only Bylaws that can be accepted. Please adhere to instructions for completing and submitting your bylaws. I will be sending out second letters to unit and district chairmen regarding overdue bylaws.

If any Unit submits an amendment, there must be five (5) original signature pages sent to me, your Department Chairman. While you are reviewing your Bylaws, read your Standing Rules to see if there are changes that should be updated.

Have Happy Spooky Halloween!

Gloria Williams
Dept. Chairman
