

*From the Editors Desk*  
*October Bulletin*

Everyone likes to be noticed and appreciated. What better way to highlight one of your members than by writing a short article about his or her accomplishments and submitting it for publication in *The Auxiliary News Hub!*

It will make that member feel special and might even inspire others. It doesn't need to be long . . . just a few sentences with perhaps an accompanying photo or two.

Deadline for submissions for the December/January holiday issue of the newsletter is November 22.
