Happy November, I hope this bulletin finds you well.

I would like to start this month by sharing the November dates to remember. Please review and share within your Districts/Units.

November is Military Family Month so please share your appreciation for our men and women in uniform as well as the families that support them and sacrifice as well.

Hopefully everyone was able to vote in the beginning of November, to promote our civil duty.

Veterans Day is November 11th. We encourage members to think of ways to celebrate our veterans. Please share your success stories so we can all do better.

Encourage your Units to promote the essay contest and the oratorical programs. We have a great opportunity to promote Americanism, and our organization. Promote the ALA, and all the good works that we do.

Please remember to promote the Star-Spangled Kids- the due date is January 15th. We would love to see a lot of entries.

We are still asking Units/Districts to participate in Flying Flags for Heroes. Please remember that I will have a drawing at DEC in January for a patriotic wreath. This is a free entry for all ALA members that go to the website, advertise their event with flag total, and share their pictures.

The website is <https://www.flyingflagsforheroes.com>

I look forward to seeing all the pictures in support of these great project. We honor our veterans every day not just Memorial Day/Veterans Day.

I wish you all a Happy Thanksgiving with friends and family.
